

I love to bask
In the warmth of the sun,
But whenever I do,
Someone spoils my fun!
Those big pale beasts
With skin (not scales)
Appear and start to
Moan and wail!
Why do they scream?
Why do they shout?
Why do they chase
And push me out?
I'm just trying
To enjoy the sun
So PLEASE just let me
Have my fun!

You think I'm special

Because I'm tall

But that's not what's best

About me at all!

My best feature

Is my tongue

It is the longest out of

Everyone!

It can reach

The highest places

It can wash

My children's faces!

My wondrous tongue

Clearly shows

When I lick right

Inside my own nose!

Don't laugh at me,

It isn't right,

Just because I

Can't take flight.

I AM a bird,

I really AM!

Look at my feathers,

They're not a sham.

And my beak too

So large and proud,

So don't make fun

It's not allowed!

Look at those funny
monkeys on the ground,
They are the strangest
Ones around!
Their fur grows long
Upon their head
And for the rest....
It must have shed!
Their ears are in
Quite the wrong places
And they have the
Funniest looking faces!
They have no tails that we
Can see.
I sure hope they don't
Climb up our tree!

I love my human

She is so kind

But why does she

Leave me behind?

Each morning I take her

For a walk

We have a cuddle

I listen to her talk

But then she goes

She's out all day

Where does she go?

Why can't she stay?
