

Mr. Potter was making some fraction models. He was in the middle of finishing each model when Gavin shot him in the back with a laser beam. Please finish his fraction models while he recovers in the hospital. Then use the models to answer the questions at the bottom.

ポッター先生が分数のモデルを作るたび、Gavinさんにレーザーで打たれる。ポッター先生が入院するまでに、モデルを完成させてください。そしてモデルを使って、下にある問題を答えてください。
