I helped my child do this:_____

Boss you have 3 employees $34.5 \div 3 = 34.5 \times \frac{1}{3}$
Banker give the boss 3 tens, 4 ones, and 5/10ths of a dollar

Boss you have 5 employees
Banker give the boss 2 tens, 6 ones, and   8/10ths of a dollar

Boss you have 4 employees.
Banker give the boss 1 ten, 2 ones, 7/10ths of a dollar, and 2/100ths of a dollar
